

TEE IT FORWARD

“TEE IT FORWARD” is the new national initiative to be conducted at golf facilities nationwide, to encourage all golfers to play the course at a length that is aligned with their average driving distance.

With TEE IT FORWARD, golfers will speed up play and have more fun by utilizing tees that provide the greatest playability and enjoyment. That's why The PGA of America and the United States Golf Association are pleased to jointly support TEE IT FORWARD.

The chart below is to be used as a guideline to help golfers potentially align their average driving distance with the tee that is best suited to their abilities.

We hope that golfers and golf facilities nationwide embrace TEE IT FORWARD and help maximize the enjoyment of golfers everywhere!
